*Who are the Passionists?*

*The Passionist's are a group of Priests and Brothers who specialise in renewal work among youth, adults and families which they try to "flavour" with the message of God's love. They are well known in New Zealand for the Passionist Family Group Movement.*

*What is a Retreat?*

*It is a time to 'come away ' and look at life from another angle so as to come back to everyday life with a renewed and better understanding of oneself, of others, and one's faith.*

*How Catholic do I have to be to participate?*

*You just have to want to be open to exploring the things we outline.*
